Subject: Re: Delivery reports about your email (fwd)

Hi Mr. Mandaville,

I found your spreadsheet to be a great resource last month.
I was interested in examining data for other lakes in the HRM, but I
cannot seem to follow the link you provided. Could you provide a link to
your spreadsheets for Bell and Settle lakes in Dartmouth, and Hail Pond
in
Armdale?

Also, for our report, how do you prefer to be referenced?

Much appreciated,
--Shane
