Cordial invitation to you all:

Saturday, June 1st, 2002 @ 9:30 AM sharp, rain or shine

(first day of Environment Week -2002)

at the Maynard Lake beach/park, Dartmouth, off Portland Street, approx. half-mile from the Dartmouth Ferry

We are holding a community fun outdoor event to celebrate the Environment Week-2002 on Saturday, June 1st, 2002 @ 9:30 AM sharp. Some of the events planned at present are:

- ◆ Garbage picking at the park and around the lake!
- ◆ Underwater cleanup planned by some volunteer-divers!
- ◆ Fun music and sing-a-long with a Cole Harbour folk musician!
- ◆ Surprise performance by a magician!
- ◆ Bar-B-Q (foods mostly being donated by some nearby stores and acknowledgments will be made on June 1st!)
- ◆ Bring a guitar or some other musical instrument if you want to!

- ◆ *just socializing and enjoying the urban lake and surrounds once again ...*
Maynard Lake had been ignored for some years, so let us all work together for its rejuvenation and hopefully one day, it can be safe to swim again!

- ◆ An important announcement may be made on BST (Bacterial Source Tracking) and perhaps restoration of Maynard Lake may follow if the BST establishes the need
..... BST will be completed in the Fall of 2002 or so!

- ◆ with support from several divisions of the Halifax Regional Municipality (HRM) ...
humble salutations to John Sheppard PEng and his team of the Environmental & Right-of-Way Services of the HRM!

- ◆ last but not least, thanks to Councillors Brian Warshick of HRM District #6,
and John Cunningham of HRM District #10!
